Bridging Worlds: Animal Communication, Energy, and Healing Conference

DAY

1

Brad Clinthorne

Looking Beyond the Bag: How To Start Feeding Your Pet Holistically

Brad reveals why you may want to feed a natural fresh diet rather than processed food. Start by looking at the list of vitamins and minerals in it.

Carol Gurney

Animal Communication 101

Carol takes us into her classroom so that we can learn how to talk to the animals. Everyone can do this and it is just like learning another language.

Hana Makinen

Energetic Bonds: Nurturing Your Sacred Connection with Your Pet in Challenging Times

Hana looks at energy work from the aspect of the energy between pets and their person and how we can enhance our bond. Share your emotions and keep the connection going!

2

Donna Lozito

Homeopathy in Action: The Universal Medicine

Are you interested in homeopathy? Donna shows how it can be used for behavior issues and how she decides on what remedy to use. See how she blends her innate way to talk to the animals and how it helped a cloned dog.

Swanie Simon

From Bitter to Better

You may have heard of them - bitters. They are very much a European thing. Swanie tells us what they are and why they are a valuable, natural way of helping the body.

Nancy Windheart

Animal Communication for Everyone

Nancy gives us hope that everyone can communicate with our animals. See why Jeff didn't euthanize the old dog with kidney failure and what the horse said to him! See how you can get the messages.

3

Dr. Ava Frick

Maximizing an Animal's Innate Energy

Ava helps us understand what determines an animal's innate energy. And, how can we change it (part of the answer is us).

Dr. Roz Rowen

Holistic Cancer Case management

Dr. Roz, from her experience, show us what we can do when the diagnosis of cancer is given to our friends. It is not the end; it is the beginning and there are many holistic treatments available.

Trisha McCagh

When is it Time to Say Good-bye?

Do you feel guilty about when you euthanized your friend or do you fear that you may have to make the decision? Trisha has immense experience talking to animals about their experience with passing on. See what animals all think about this and what you can do to make it better.

4

Sharon Katzke

How you can use Energy to help your pet (and you) heal naturally from Pain and Wounds

Sharon shows what light therapy can do and also emphasizes the safety of this way to treat our friends.

Dr. Barbara Shor

Conscious Souls: The Inner Life of Animals

Dr. Barbara tells us how dolphins, elephants and whales told her to write a book about animal communication. She delves into the souls of these magnificent animals. And, will veterinary schools ever teach animal communication?

Maribeth Decker

Do you Accept Power of Attorney over your Friend?

Maribeth talks about how you can prepare for the end of life and make the remaining time you have better for you and your friend. See what Dr. Jeff does when going through the final day, all for the pet's comfort before and after the procedure.

Elizabeth Anne Johnson

Discover Your Dog's Five Element Personality

The five elements are a concept in Traditional Chinese Medicine that help to explain propensity to disorders and also behavior. Find out how Elizabeth has broken this down so that you can use it on your pets.

5

Dr. LaShelle Easton

Animal Communication Goes to the Vet

Imagine an animal communicator becoming a veterinarian. LaShelle did just that and she has the two roles that she works in. See how she does it and the role it plays.

Tammy Billups

Healing the Emotional Wounds of Animals & Their People

Tammy is a therapist who works to heal emotions. This is used to treat emotional wounds that exist in people and their pets. They often have the same problem and that is why they are together in the first place.

Dr. Jeff Grognet

The Three Pillars of Holistic Care of Your Pet

We know vaccines last at least 9 years. Why are they given once a year? Dr. Jeff looks at nutrition, vaccines, and toxins, helping you have a much healthier friend with less ailments and a longer lifespan.

Paulette Carpenter

Healing from Within: The Power of Homeopathy for Animal Wellness

Paulette starts at the beginning and explains what homeopathy is and how it works. She then leads us on a fascinating journey of what homeopathy can be used for. Think snake bites, eye ulcers, and look at what the owner said that stopped the cat eating and drinking.

6

Carol Komitor

HTA: Working with the Animal Energy Field

Carol shows us how the energy field in animals differs from people. It is like a pixelated field rather than layers. And then, how can we affect it and generate healing in our pets?

Diana Laverdure-Dunetz

Plant-based Diets for Dogs

Diana has written the book on plant-based dog feeding. Find out why people are going this route and how you can do it yourself.

Faye Rogers

Soul Contracts Between Humans & Animals & Reincarnation

Faye looks deep into animal communication and explores soul contracts - what drives the animals (and people) on their mission. Find out what Jack told her he was here for.

Dr. Linda Bender

Exploring the Spiritual Lives of Animals

Linda, a veterinarian, talks about the spiritual connection she had with animals as a young girl. This led to her spiritual practice looking at a connection based on soul to soul. See how you can explore this.
