

Privacy Policy 2024

J&L Vetcare Inc DBA New Earth Vet does not sell or provide your personal information to other parties. Ever!

We may post links to other information providers, but it's up to you if you want to sign up and give them your name and email address for their marketing purposes.

- WHAT INFORMATION WE COLLECT

- We will ask you for personally-identifiable information to process and fulfill online shopping transactions, email newsletter registrations, and site registrations. Information includes your name, mailing address, email address, user name, password, and payment information (card information and billing address).
- To provide you with content and offers targeted to your needs, we may ask you for your interests including health and pets you have.

- INFORMATION WE COLLECT FROM OTHER SOURCES

- In order to enhance our ability to provide relevant marketing, offers and services to you, we may obtain information about you such as postal and email addresses from other sources including public databases, joint marketing partners, data providers, as well as from other third parties.
- We automatically collect non-personally-identifiable information about your use of the Sites, such as the domain from which you access the Internet (for example, Google.com, if you are connecting via a Google search), the date and time you access the Sites, and the Internet address of the website from

which you linked directly to our Sites. This information will not be linked to personally-identifiable information.

- This site uses IP addresses to analyze trends, administer the site, track users' movements inside the site, determine which site referred users to us, and gather very general demographic information. IP addresses are not linked to personally identifiable information.

- INFORMATION IMPORTED FROM SOCIAL NETWORKS

- This is information we do not have control over.
- When you choose to interact with us through social media your interactions with the social media platforms ("Social Networks") typically allows the Social Networks to collect information such as "Likes," profile information gathered from the Social Networks, or the fact that you viewed or interacted with our Services. Social Networks may collect information about you through digital cookies they place on your device and other tracking mechanisms even when you are not directly interacting with their applications. Please review the Social Networks' privacy policies and choices for sharing information of any Social Network connected to our Services.

- HOW WE USE YOUR INFORMATION

- We use the information we collect or receive:
 - to respond to your inquiries and fulfill your requests, such as to provide you access to the Services or products you have ordered, to respond to any inquiry, feedback, or information and materials regarding our products and services.

- to send you marketing communications, including via email in compliance with applicable laws and in accordance with your preferences, that we believe may be of interest to you.
- To allow access to your courses and products on the educational center.
- to send administrative information to you, for example, invoices, confirmation and renewal notices, information regarding our Services or Sites, and changes to our terms, conditions, and policies.
